MEMORANDUM FOR: Information Review Officer, DI

FROM:

[REDACTED]
Chief, Manuscript and Special Review Branch
Classification Review Division
Office of Information Services, DA

SUBJECT: Request for Documents for Damage Assessment

1. Attached is a bibliographic listing of 98 raw intelligence reports dated 1975-1981 to which former FBIS employee Larry Chin is believed to have had access. Most, if not all of these documents should be available through OCR. CRD requests a copy of these documents.

2. As part of the Agency's damage assessment, CRD is conducting an initial review of all documents believed compromised by Chin. After the review, coordination and additional comments will be requested from the Agency components concerned. CRD will also handle any coordinations required of other US Government agencies.

3. The Department of Justice has requested that our review be completed as soon as possible since the trial is scheduled for January 1986.
